Mon, 18 Feb 2019 09:54:00 GMT First Grade Lesson Plans for English and Language Arts ... - Metrology is the science of measurement. It establishes a common understanding of units, crucial in linking human activities. Modern metrology has its roots in the French Revolution's political motivation to standardise units in France, when a length standard taken from a natural source was proposed. This led to the creation of the decimal-based metric system in 1795, establishing a set of ...
