Transcendentalism - Wikipedia - Indian immigration began in the mid-19th century, with more than two thousand Indian Sikhs living in the United States, primarily on the West Coast, by the end of the century. The presence of Indian-Americans also helped develop interest in Eastern religions in the US and would result in its influence on American philosophies such as Transcendentalism. Indian Americans - Wikipedia - The 13 colonies which formed the United States were based on different philosophies and religions within Western Civilization. Puritans settled in New England, Baptists in Rhode Island, Quakers in Pennsylvania, Roman Catholics in Maryland, Dutch Reformed in New York, and

Episcopalians in Virginia. Unity among these religious faiths could only be achieved through a national philosophy that was ... United States - New World Encyclopedia -
