Los Lunas Schools, home to 15 schools and approximately 8,500 students, prides itself on an individualized and personalized approach to educating its students. Home - Los Lunas Schools - Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem.
