Fri, 15 Mar 2019 04:24:00 GMT WFMFiles.com - Tractors in India is a major industry and significant contributor to its agriculture output gains.. In 1947, as India gained independence from British colonial empire, the level of agriculture mechanisation was low. The socialist oriented five-year plans of the 1950s and 1960s aggressively promoted rural mechanisation via joint ventures and tie-ups between local industrialists and ...
